Dear Gordon,

I am writing to thank you for your wonderful contribution at the recent PCSB workshop in Cambridge. As always, you were one of the real highlights of the programme and delegates found your session extremely refreshing and inspiring. The following are just a few of their comments:

- Really appreciated this session real life experience & honest
- Excellent and stimulating
- Fantastic! Good to have a real life example of success
- Fantastic to hear from the founder of a non traditional corporate
- Inspirational!
- Gordon Shields was brilliant! I would have liked to have had 3 or 4 more of him!

I am really grateful to you for taking the time to join us, and very much hope that you might be willing to join us again in future.

Best wishes
